## **FINANCIAL ASSISTANCE**

Pullman Christian School seeks to help families desiring to provide Christian schooling for their children but who may find it financially challenging to do so. Financial assistance is only applied toward tuition (excludes all other fees) and it is awarded based upon a family's ability to pay. We utilize an online application process, evaluated by an outside third party, and then the recommendation is brought to the Financial Aid Committee. There is a \$41.00 application fee that is due at the time of submitting the application online. Parents are notified of the amount of financial aid being awarded prior to the July 1<sup>st</sup> withdrawal deadline. This application must be completed by all continuing families desiring aid for the 2017-2018 school year, regardless of whether or not aid was received the prior year. Visit our website, [www.PullmanChristianSchool.org](http://www.PullmanChristianSchool.org), or contact the school office at 509-332-3545 for more information.

## **POLICIES**

Pullman Christian School depends on the tuition and fees of each student enrolling to meet its operation budget. It is expected that tuition payments be made promptly. All fees and tuition are non-refundable. Payments are due by the 20<sup>th</sup> of each month. Late fees will be assessed after that date. Failure to meet financial obligations could be grounds for student dismissal.
