Literature Award

A student who wants to earn the Literature Award must follow these guidelines:

Grades K-4

- Read and report to parent or teacher on at least **20 books** beginning June 1 and continuing through the current school year.
- Books should be at or above the student's reading level.
- All books must be approved by the teacher or parent prior to reading.
- Books required for classes may be included.
- Books must be read by the student, not be read to the student by an adult.
- PCS reserves the right to decline acceptance of any particular book (included in the 20 book count for the award) based upon content that is deemed to be contrary to the school's core values. For questions regarding what would or would not be accepted, please contact a teacher.
- A documentation form must be completed and turned in by the deadline.

Grades 5-12

- Read and report to parent or teacher on a minimum of **4000 pages** beginning June 1 and continuing through the current school year. In addition to listing book titles and authors, total pages should also be listed in "Total # Pages" column. The student needs to add up total pages and write this at the bottom of the form.
- Books should be at or above the student's reading level.
- All books must be approved by the teacher or parent prior to reading.
- Books must be read by the student, not be read to the student by an adult.
- Books required for classes may be included.
- PCS reserves the right to decline acceptance of any particular book (included in the 4000 page count for the award) based upon content that is deemed to be contrary to the school's core values. For questions regarding what would or would not be accepted, please contact a teacher.
- A documentation form must be completed and turned in by the deadline.
